Introverse from an introvert
When I stay down know its ten toes first
Seeds in the ground how I grow more worth
Spittin' in the crowd and they go berserk
How I feel this my church
Born with the flow its the wave I surf
More than a dollar when I know my worth
Im sure I'm the illest alien on earth
Zen in a pen with my friends gettin' yen
Thinkin' bout way back when
Know that times been passing me by but
Sometimes I still feel ten
Times get a little intense
That's why the windows tint
That's where the wind blows in

Zonin' it's the only time I know I goes in
