Jinjja hwaga na jumeokbuteo nagagesseo
Jinjja hwaga na motchamgetda saenggakaesseo
Jinjja hwaga na jumeokbuteo nagagesseo

There were days I gave up
And put a mask on my face, brain, and heart
To take a break from the truth
To take a break from the false
To take a break from the truth
To take a break from the false
To take a break from the truth
To take a break from the false

There were days I gave up
And put a mask on my face, brain, and heart
To take a break from the truth
To take a break from the false
To take a break from the truth
To take a break from the false
To take a break from what's true and false
Our worn out little hearts

Need time to rest and heal
But he says it's already
Time to wake up from my dream
Wake up from my freedom dreams

Jinjja hwaga na motchamgetda saenggakaesseo
Jinjja hwaga na jumeokbuteo nagagesseo
Jinjja hwaga na motchamgetda saenggakaesseo
Jinjja hwaga na jumeokbuteo nagagesseo
Jinjja hwaga na motchamgetda saenggakaesseo
Jinjja hwaga na jumeokbuteo nagagesseo
Jinjja hwaga na motchamgetda saenggakaesseo
Jinjja hwaga na jumeokbuteo nagagesseo

There were days I stayed up
Hoping for a restart button to life
To take a break from the past
To take a break from the now
To take a break from the past
To take a break from the now
To take a break from the past
To take a break from the now

There were days I gave up
And put a mask on my face, brain, and heart
To take a break from what's true and false
Our worn out little hearts

Need time to rest and heal
But he says it's already
Time to wake up from my dream
Wake up from my freedom dreams
