

Daddy

Yael Naim

Close your eyes
Listen to your heart beat now
What have you become oh god
What have you become

Close your eyes
Listen to the silence now
Time is moving on and I'm
Still inside this dream world

And I'm trying my best, I
Swear that I'm
Trying my best, I
My father died

Close your eyes
Listen to the rain kiss the ground
What have we become oh god
What have we become

Close your heart
Listen to the world undone
Time is running out and I'm
Still inside this fear world

And I'm doing my best, I
Swear that I'm
Doing my best, I
Daddy died

And I'm doing my best, I
Swear that I'm
Doing my best, I
Daddy died
