

Shine

Yael Naim

Stuck in my eyes, I destroy it
Wake up, 'cause you don't fit
Don't deny, don't take me
Into this place, below
A place I've never known

Die in your eyes, I enjoy it
Let it become, 'cause it won't quit

But this cry, I lock it in
Shine in my eyes
Shine in my eyes

Trying my love, to feel joy for it
Break up, gave up all of it
But this love, I won't taste it
And my love, I've lost it
