

# Neath The Grove Is A Heart

Yaelokre

The ground wrings an unknown strain  
Hear the prattle of the birds flying our way  
The trees sway to the young ones piping  
Will you stay to listen to me sing?  
Seeker do you ever come to wonder  
If what you're looking for is within where you hold  
Will you leave a trail for them to follow?  
A path, you'll soon forget

Home, home, home

How do I begin when the roof is ever changing?  
In the grove is a heart that's still in slumber  
You can remain, will you stay and tell a tale  
Would you want to tear it down, to see better?

Foolish dreamer be awakened  
Do not walk to where you were, to where you're staring  
Listen to the willow, listen to the sound  
Listen to my voice, you should hear me now

Be still, be steady, and be

How do you begin when the earth is ever changing?  
Neath the grove is a heart that's still in slumber  
You can remain, will you stay and tell a tale  
Or would you want to tear it all down, to see better?

Home is where we are now  
Home is where you are  
Home is where I am standing  
Where I'll be staying forever, no

How do I begin when the roof is ever changing? (How do I begin?)  
Neath the grove is a heart that's still in slumber  
You can remain, will you stay and tell a tale (How do I begin?)  
Would you want to tear it down, to see better?  
How do I begin when the roof is ever changing? (How do I begin?)  
Neath the grove is a heart that's still in slumber  
You can remain, will you stay and tell a tale (How do I begin?)  
Would you want to tear it down, to see better?  
How do I begin when the roof is ever changing? (How do I begin?)  
Neath the grove is a heart that's still in slumber  
You can remain, will you stay and tell a tale (How do I know?)  
Would you want to tear it down, to see better?

Oh, ho-oh, ho-oh, ho-oh (Oh)  
Oh, ho-oh, ho-oh, ho-oh (Oh, oh-oh)  
Oh, ho-oh, ho-oh, ho-oh (Oh, oh-oh) (Ho-oh, ho-oh)  
Home is where we  
Home is where you  
Home is where I am (Oh, ho-oh, ho-oh, ho-oh)  
How do I begin when the roof is ever changing?
