Like a habit
You used to flicker before me
But now I can't anymore
Your words that were only lies
All the sides of you that you didn't know about
I don't want it anymore

There's only one break up
But you didn't tell me how you really felt
Now I think I know

I'm sorry, I won't look at you anymore
I'm sorry, I don't regret it anymore
Even when I look at you again
I can say that I don't love you anymore

Over the phone
Your voice that's cheering me up from being tired
I can't think of it anymore
All of our memories
And all those words, sadly
Words I couldn't tell you

I'm sorry, I won't look at you anymore
I'm sorry, I don't regret it anymore
Even when I look at you again
I can say that I don't love you anymore

Our start that was so awkward
Moments of my first confession
Feels like it was just yesterday
Meeting someone and falling in love
Meeting you and me changing
Now there is no more

I'm sorry, I don't love you anymore
I'm sorry, I don't regret it anymore
Even when I'm tired and things are hard
I think I'll be comfortable only if I do this
