

# Stop Loving You

Yang Da Il

Said you would quit your job at least a million times  
And I know it kills your vibe to work a nine to five  
If you wanna leave right now, let's leave it all behind  
I don't mind  
As long as you'll be mine, yeah

When I'm with you  
I don't care where we are  
As long as we're not apart  
Whatever you do  
I can never stay mad  
No, there's no turning back, baby

I can't, I can't, I can't, I can't  
Stop loving you  
Stop loving you, oo-oooh yeah  
I can't, I can't, I can't, I can't  
Stop loving you  
Stop loving you

You met all these people, all they do is mess around  
Wasting your time so many nights, you stopped the count  
If you let me hold you, I will never let you down  
Stay a while  
Say you're mine

When I'm with you  
I don't care where we are  
As long as we're not apart  
Whatever you do  
I can never stay mad  
No, there's no turning back, ooh yeah

I can't, I can't, I can't, I can't  
Stop loving you  
Stop loving you, oo-oooh yeah  
I can't, I can't, I can't, I can't  
Stop loving you  
Stop loving you

When I'm with you  
I don't care where we are  
As long as we're not apart, yeah  
Whatever you do  
I can never stay mad  
No, there's no turning back, no

I can't, I can't, I can't, I can't  
Stop loving you  
Stop loving you, oo-oooh yeah  
I can't, I can't, I can't, I can't  
Stop loving you  
Stop loving you
