Out one night to seek a mate  
I asked a stranger for a date  
And guess what she said  
I like her man was cool, but i  
Was sexier than any guy  
She'd ever met  
Maybe if i took a chance  
To find a night of sweet romance  
Love wouldn't be  
Waiting for my ship to come  
And catch this player on the run  
I wanted to see, oh, her eyes

Her eyes were eyes of a stranger  
(stranger's eyes staring at me)  
Her eyes were filled with danger

She was such a pretty thang  
Maybe that's why i was game  
Walkin' the line  
So we took a rendezvous  
To satisfy each other's mood  
Time after time  
As i looked into her eyes  
Wondering if they were disguised  
A mystery to me (what could it be)  
All i felt was instant lust  
Knowing it was dangerous  
But i had to see, oh, her eyes

Her eyes were eyes of a stranger  
(stranger's eyes staring at me)  
Her eyes were filled with danger  
(stranger, danger, i want you)

Her eyes were eyes of a stranger  
(a stranger's eyes staring at me)  
Her eyes were filled with danger

Her eyes on me  
I feel her eyes on me

Her eyes were eyes of a stranger  
(stranger's eyes staring at me)  
Her eyes were filled with danger  
(stranger, danger, i want you)

Her eyes were eyes of a stranger  
(a stranger's eyes staring at me)  
Her eyes were filled with danger

Her eyes on me  
I feel her eyes on me

She's a mystery  
Baby, can't you see  
She got me hypnotized  
Baby, mesmerized

Her eyes were eyes of a stranger  
Her eyes were filled with danger

Her eyes were eyes of a stranger  
Her eyes were filled with danger

Her eyes were eyes of a stranger  
Her eyes were filled with danger

Her eyes were eyes of a stranger  
Her eyes were filled with danger
