

# Only You

Yazoo

**G** **D** **Emi**

Looking from a window above

**D** **C** **G** **D**

It's like a story of love, can you hear me?

**G** **D** **Emi**

Came back only yesterday

**D** **C** **G** **D**

I'm moving farther away, want you near me

**C** **D**

All I needed was the love you gave

**G** **Emi**

All I needed for another day

**C** **D** **G**

And all I ever knew, only you

**G** **D** **Emi**

Sometimes when I think of her name

**D** **C** **G** **D**

When it's only a game and I need you

**G** **D** **Emi**

Listen to the words that you say

**D** **C** **G** **D**

It's getting harder to stay when I see you

**C** **D**

All I needed was the love you gave

**G** **Emi**

All I needed for another day

**C** **D** **G**

And all I ever knew, only you

**G Emi D C G D**

All I needed was the love you gave

All I needed for another day

And all I ever knew, only you

**G** **D** **Emi**

This is gonna take a long time

**D** **C** **G** **D**

And I wonder what's mine, can't take no more

**G** **D** **Emi**

Wonder if you'll understand

**D** **C** **G** **D**

It's just the touch of your hand behind a closed door

**C** **D**

All I needed was the love you gave

**G** **Emi**

All I needed for another day

**C** **D** **G**

And all I ever knew, only you
