

Band Up

YBN Nahmir

Brand new [?]
I love to run through bands
Cause I'm an x man
40 on me, you can't take my pack
Less I'm [?] glo
Band up, band up
Band up, band up
Band up, band up

Stack, got that 8 up in my cup
Turn me up, don't turn me down no
These hating niggas got a frown now
Why they never wanna see me up? They wanna see me down
Now wait, pour a 4 up in my sprite
It got me leaned out
A nigga talking all that shit, gon be a man down
And we gon slide to his block, and chop the whole crowd
Niggas wanna act tough, till they feel that K round
Nigga I be all about my cash
I'm bout my cash [?]
You try me, my big bro, he on your ass
He flipped your whip, your body in the grass
