

## Inna Trap

YBN Nahmir

(Lollypop)

Take the bitch out the trunk, put it in the trap  
Burn 'em, sipping packs, getting racks, bitch, we in the deck  
I might drop the top (Top, top) on a 'Vette, it cost a hunnid racks  
I might spend a band, if we catch 'em, we gon' kill they ass  
Say lil' baby, I'm that nigga though  
Hey, if they wanna play with me, bitch, I'm gon' let it blow  
Police came an raided my stash spot and now my trap hot  
Bro keep fucking all these dirty bitches, it got his piss hot (Piss hot)

Ayy, when you get stripped, that's just how it go (How it go)  
You say you got some smoke with me, but you gon' tuck your pole  
(Tuck your pole)  
Put that Henny all up in my system, now I'm in that zone  
This bitch steady tryna get my addy, what you really on? (Really on)  
I can't fall for that goofy shit, boy, I ain't no goofy nigga  
Tried to walk up on me in the club, I had my tooly with me (Too ly)  
Told my bitch to put a grape up in her mouth, she acting fruity with her (With her)  
Took 'em to the crib, they doing splits (Splits) while I'm doing business  
Drunk as fuck, the police pulled me over at that red light  
Don't even got no license, but I'm riding with this big pipe  
We gon' do the dash up on they ass so we can get right  
Then I'm diss the gas, when we get far, just ditch the car, alright? (Alright)
