"Find a tenderloin that is right for you"

You can't be my only lover
My love
Yea you can't be you can't be the only one, only one
You can't be my only lover
Yea you can't be you can't be the only one
She's my only love

I hit her in the back seat
Tell her don't tell her friends
The windows tinted in
A smooth chick from around the block and want me to be her man
But I'm a criminal baby
I need is my girl when it's life of sins
I know that you wanna be famous
Come to the crib and see how I live

I know you need me as your love
Screaming then we gonna wake the neighbors
Then she gonna try an run when I hit that thang from the back
I make her count the cash she say she like to feel the bank roll
Say she wanna eat hibachi
Now she touching on my body
And right after she done she gotta hop out this Bugatti

You can't be my only lover
My love
Yea you can't be you can't be the only one, only one
You can't be my only lover
Yea you can't be you can't be the only one
She's my only love
