

Pip N' Walk

YBN Nahmir

I got a bitch out in the valley got a thick ole booty
If you spend a couple bands then she might buy some Gucci
I'm 'a stop and do my pip n' walk
Let me call the bitches still and stop and do my pip n' walk
Let me call the bitches still and stop an do my pip n' walk
When I'm bouncing out that big body
She got a pretty face some nice toes I'm thinking bout it

I'm gonna stop and do my pip n' walk
Let me call the bitches still and stop and do my pip n' walk
Let me call the bitches still

When I pull up make it clap for a couple bands
She on my dick but I can't cuff that hoe cause she a fan

I'm the plug and split the bands with my mans
In my pip n' walk an I ain't even talking bout no dance
Nikes on my feet, Gucci on my belt aye
She hopped into the ride I took her to the set gang gang
Hunnids on top of hunnids know I get that dank, aye
You niggas don't got no money I served off in the Wraith

Pulled up new Lamborghini watch what your bitch say
And now she post me on her page she wanna be my main
She get to feeling on my chains I got from Johnny gang
I'm pimp walking in that thang I'm 'a make it rain

I got a bitch out in the valley got a thick ole booty
If you spend a couple bands then she might buy some Gucci
I'm 'a stop and do my pip n' walk
Let me call the bitches still and stop and do my pip n' walk
Let me call the bitches still and stop an do my pip n' walk
When I'm bouncing out that big body
She got a pretty face some nice toes I'm thinking bout it

Let me call the bitches still and stop and do my pip n' walk
Let me call the bitches still

Hit her in the back, it'll rose I did my thing and lost her digits
These whores wanna be up in my business, getting to much money
Everybody thought a young nigga was finished

Nikes on my feet Gucci on my belt
She hopped into the ride I took her to the set, gang gang
Hunnids on top a hunnids know I get that dank
You niggas don't got no money I swerved on in a Wraith

Chain's so heavy you can see that I'm the jefe
Wrists too loud they be like "What did he say?"

I'm pimp walking in that thang I'm 'a make it rain
