

All Night

YCEE

Ain't nobody badder than nah
Ain't nobody badder than
It's your boy you know it's Ycee!

Lemme give it to you all night
I ain't gon stop until you all mine yeah
They say it's looking so blind
Love will never die it's always on time yeah
Oh girl you so fine
Sun don't even have the typa your shine yeah
You feeling lonely call my phone line
Put my number in your phone if you don't mind
Oh
Ginger me up make I butter your bread
Baby girl you hear just what I said
I need to massage your leg
Cos all day baby you been running through my head
I give you ring no baby mama
Me and you we fit to do the samba
And anything I say e no be lamba
Na na na yeah

Lemme give it to you all night (give it to me)
I give it to you all night yeah
Lemme give it to you all night (give it to me)
I give it to you all night yeah
Lemme give it to you all night (give it to me) all night
I give it to you all night yeah
Lemme give it to you all night (give it to me)
I give it to you all night yeah (give it to me)

All night till morning
I ain't gon stop until you yawning
Where your friends at you could bring em all in
You know I leave you wetter than New Orleans yeah
Come we be balling
Baby girl no dulling
You gat issues imma solve em
With me you ain't gat no problems
Oh
Baby girl I realize
That it's you I wanna make a wife
I know I told you this so many times
Just lemme put that loving in your life
You gimme love, I give you right back
Want support I give you twice that
They wan dey hate tell em to slide back
Na na na yeah

Lemme give it to you all night (give it to me)
I give it to you all night yeah
Lemme give it to you all night (give it to me)
I give it to you all night yeah
Lemme give it to you all night (give it to me) all night
I give it to you all night yeah
Lemme give it to you all night (give it to me)
I give it to you all night yeah

Never thought I'll ever meet a nigga like you
Bring on the wave bring on the typhoon
You dey shoot shot like say na rifle
Be my mista man me nuh need title
Ginger me baby you be hot spice
Sweet me baby like jollof rice
Shey you get boutique how you find my size?
No exam but we up all night
Ahhhh ohh yeah
Best I ever had I swear no be lie
Ahhhh ohh yeah
When you take me high I don't wanna come down
Ahhhh ohh yeah
Baby when you leave it's not alright
Ahhhh ohh yeah
All night all night!

Lemme give it to you (let me give it to me)
I give it to you
Lemme give it to you
I give it to you
Lemme give it to you (let me give it to me)
I give it to you
Lemme give it to you all night
I give it to you all night
