

Bossing

YCEE

Ain't nobody badder than

Yea

Yea...

I'm in a different kind of Zone

I want to fuck the world but really I am not the [?]

Am with the raw shit and you can never have it all I want some more shit

I leave the bullshit on the side like some more chips

Am out of this world say it to an Orbit

You have problems with me, men you caused it

You talk shit about me then you lost it

I've been repping for my dad since diseased

Yea I've got the wave but you don't make it to the beach

Men am blessed with the verses I don't rap me I preach

Yea I got thugs and they never on a leash

So you best approach with caution

You can't dept this man I've been flossing

Swag lazy boy I've been working

Lost awards but winning these Endorsements

Oh my God I'm bossing Turn your side chick into an option

Turn another beat into an Orphan

Cause I murder everything no potion

Oh my God I'm bossing

Turn another beat into an Orphan

Turn your main chick into an option

Cause I murder everything no potion

Bossing bitch I've been flossing

We be at the shopping and we ain't checking the costing

Sally On haters they see me fall when am walking

Heard you got a problem you best approach me with caution

Cause I look good but am still hood

They be plotting on me men I wish a bitch would

Penny Brown looking better than a books of bouje

I keep it [?]

See believe me smoking on amigee

Rolling with some Muslim barbies move drizzie

Trap Trap balling on them like young geezy I don't do sleazy this shit's too easy

Sleep wake do great I be in another stage

Getting to the cake boy you eff'ing with a winner

I ate gave thanks I want 8 in the bank

I could put that on my figure

Yea

Real shit you can put that on your figure

Bloody yea I could put your ass up in [?]

Am saying I can introduce you to my dealer

Cause we the double south yea go figure

Bad bitches trynna ball with my go figure

Am the hardest mo'fucker yea I told niggas

They ain't even paying attention men y'all old niggas

I don tell that [?]

What's that I want all of that

Kill a game so I pull up in that all black

Balling am on that office
Bossing step into my office
Off the top is when am rapping got the game without the trapping get the fuc
k off with the crapping
I finna ghost write the wave
Got the juice and the sauce that keep dripping

Oh my God I'm bossing Turn your main chick into an option
Turn another beat into an Orphan
Cause I murder everything no potion
Oh my God I'm bossing
Turn your main chick into an option
Turn another beat into an Orphan
Cause I murder everything no potion

Murder everything no...
Murder everything no potion
Murder everything no...
Murder everything no potion
