

Bubbly

YCEE

You know we sipping that bubbly
Turning up in this economy
Awon omode yi fe gbodo mi
Cus they know we sipping that bubbly
Bubbly bubbly

You know we, bubbly
Killing the game no apology
Plenty bottles and the Hennessey
You want some more am the remedy
Middle finger to the enemies
You are not seeing the end of me
Am gonna ball till the death of me
You cannot fuck with the melody
Wanting my guy...
Wan le mi lere
Am up all night, mio wabi wa sere
Your not on my side then please
Get the fuck out the way
I'm on my level if you want to reach my level

You must be sipping that bubbly
Bubbly, bubbly
Turning up in this economy
Awon omode yi fe gbodo mi
Cus they know we sipping that bubbly
Bubbly bubbly

You know we, bubbly
Bubbly, bubbly, bubbly
Bubbly, bubbly, bubbly
Bubbly

You know we be sipping that bubbly
Big men still eating that broccoli
Somebody go tell Chichi to follow me
Abi ko'mo pe kichi wa lowo'mi
They, recession still dey this economy
I no know me am still getting dollars
No be scam no be fraud kind money
Shout out to legitimate hustlers
Oya wait pause, make you no dey rush
The one we dey get e be straight from the source
I be real g I no dey for the wash
You for check am money dey for the purse
Wait stop, make you no dey talk
Give me one XO, put it for the jug
Ten black bottle why you come dey shock
Oya add gold bottle make everybody nock
Ah, so so tight

You know we sipping that bubbly
Bubbly, bubbly
Turning up in this economy
Awon omode yi fe gbodo mi
Cus they know we sipping that bubbly
Bubbly bubbly

You know we, bubbly
Bubbly, bubbly, bubbly
Bubbly, bubbly, bubbly
Bubbly

Save me a sip and relax
Tuss my problems to the back
Yeah we dey handle the shacks
And it's never affecting the stacks
All the bitches don dey call on me
All the women tryna follow me
I do not do this shit normally
Bottles on bottles on bottles we bubbly
Nigga we bubbly
Tell em my nigga we bubbly
You know we sipping that bubbly
