

Empathy

YCEE

Act like Act like
Act like you don't know what a nigga going through
Act like you don't know what a nigga gon do-o-o
Act like you don't know what's even going on
Act like you don't know what's even gon do

How could you be so heartless - I just wanna know
You ain't gon hold me down baby girl just lemme go
How could you be so heartless - I wanna know

Cos you act like you don't know what a nigga going through
And you act like you don't know what a nigga gon do
Act like you don't know what's even going on
And you act like you don't know what a nigga gon do
Act like you don't know what a nigga gon do

(Why you gon do me like that? Do you have no empathy?)
Fucking around messing it up going in circles with no where to go now - no w
here to go now
(Why you gon do me like that? Do you have no empathy?)
Fucking around messing it up going in circles with no where to go now - no w
here to go now

I heard that you're an ass guy but I've got none
I've been doing my squats though...hitting the gym
I never met anyone like you where I'm from
Probably why I think you're so special
Text you but I'm getting no replies all the time
I see you on my timeline though
Say you busy but you're with your guys all the time
Got time for my snapchats though
Coz I show you what you're tryna see
Got your attention now, got your eyes on me
You like to think you're a good guy but you not
You like to think you're a nice guy but you're not

Act like you don't even need to front
Act like you don't even wanna go
Act like you ain't even tryna talk
Act like you just wanna give it up
Act like you don't wanna walk away
How you gon do me this way
I ain't even gon act like I ain't seen you in a long way

(Why you gon do me like that? Do you have no empathy?)
But babe wait wait
(Why you gon do me like that? Do you have no empathy?)
But you act like you don't know what a nigga gon through
(Why you gon do me like that? Do you have no empathy?)
It's really fucked up girl but I still want you
(Why you gon do me like that? Do you have no empathy?)
Oh yeah you pushed me away and I still came through
(Why you gon do me like that? Do you have no empathy?)
Act like you don't know what a nigga gon do
(Why you gon do me like that? Do you have no empathy?)
Act like you don't know what's even going on
(Why you gon do me like that? Do you have no empathy?)

Why you gon act like that
(Why you gon do me like that? Do you have no empathy?)
Why you gon act like
(Why you gon do me like that? Do you have no empathy?)
Act like you don't know what a nigga gon do
