Sir, move your bvtch little to the left
Man finna take her to the right

Then we can turn up all night
Move your bvtch a little to the left
When I come true gat that girl losing breath
Just one touch and I make her undress
No Falz but she tell a bad man I can press
So she, so she don't know what comes next
Tell a man ah cum but I never come first
Tell a truth bvtch, you just got to confess
Cause [?] like a priest no s3x, oh yes
Shoddy say that boy too sick

Her skinny like a fvckin tooth pick
Her man coming so we gotta do quick

The girl, her drama I call her tinsel
But she a bad one tho, her packaging self
Raa, am a beast on the beat
With other mad line I unleash on the beat
When in eat track ama feast on a beat
Omo Yoruba badder come go ease on the beat

Shoddy come to me physical
And she come with seven ogidiga eh
She say boy come give me hard
Let me tell all the guys am [?] eh
Shoddy come to me physical
And she come with seven ogidiga ah
