Intentionally

YCEE

I know it's been long
Since you found someone that's gon love you

I know it's been long
Since you found someone that's gon love you
Intentionally, intentionally
I know it's been long
Since you found someone that's gon love you yay
Intentionally

So baby if you let me love you gently
Cos I no really get that time to waste
Say baby if you let me love you gently
Then you won't let my feelings go to waste

I say one time what do I know
I just got the rhythm and flow the bounce
Baby come through and I take you down
Oya hush now don't make a sound

So baby if you let me love you gently (let me love you gently)
Cos I no really get that time to waste (get that time to waste)
Say baby if you let me love you gently (let me love you gently)
Then you won't let my feelings go to waste

No me lo hacen como tu me lo haces
Nadie me lo hace me subes al cielo como te place
Aunque no haya tiempo, mi amor
Solo quedamos los dos
Solo solo quedamos tu y yo
Yo esperandote tu esperándolo
Yo tengo mi honey y tu tienes tu love
Así que vamos a prenderlo
No hay tiempo y mami lo sabes
De tanto esperarte me tienes grave
Abalánzate y quiéreme yo te pensare y esperaré
Y no hay tiempo y mami lo sabes
De tanto esperarte me tienes grave
Abalánzate y quiéreme yo te pensare y esperaré
Hasta que vuelva y te veo un minuto chimenea
Por este lado no hay pelea el flaco te balancea

I know it's been long
