If I say I need you I be liar
If I say I want you I deny am
If I say I miss you I dey manya o

Yes I
I'm out here living my best life
Want your picture on my bedside
Not now maybe next life say
Got you thinking I'm your best guy
If you thought wrong then you guessed right
As a nigga from the Westside
Think twice before you let inside
Ay
What am I trying to say
I know I'm bound to misbehave
Give you love wey dey cause delay
Real talk I cannot be bae so
Don't mean to cause you heart ache
Don't mean to cause you damage
Wonder how the girl go manage
Take this to buy the bandage

If I say I love you I dey lie (oh I dey lie)
If I say I need you I be liar (say I be liar)
If I say I want you I deny am (oh I deny am)
If I say I miss you I dey manya o (ay ay ay)
If I say I love you I dey lie (say I dey lie lie)
If I say I need you I be liar (say I be liar)
If I say I want you I deny am (I deny am)
If I say I miss you I dey manya o (I dey manya)
