

# Miss You

YCEE

Baby you don't even need to be this cold  
Uh uh  
Girl you're weighing down my heart and it's no fun  
I've done no wrong but I know I'll pick up  
You know I'll hold you down like my day one

My friends say calm, calm down  
You've got options, just look around  
Everywhere I go, you'd stand out  
You're worth more than dollars and pounds  
I feel like I let you down  
If only I knew what I know now  
I'd never feel a pain like I do now  
Only you, you

I miss your  
I miss your  
I miss your loving  
Everyday  
I'm missing something  
When you're away  
These  
Girls got nothing on you anyway

I miss your  
I miss your  
I miss your loving  
Everyday  
I'm missing something  
When you're away  
These  
Girls got nothing on you anyway

Yeah  
And i'd be lying if I said i'm strong without you  
I really mean it when I say I need ya  
Na every night I dey see you for my dreams na fantasy  
I'm never lonely girl  
You got my mind  
My body and my soul  
And if I had much more  
I would give it all to you  
I'm never holding back  
My love goes straight to you  
Only you, you

I miss your  
I miss your  
I miss your loving  
Everyday  
I'm missing something  
When you're away  
These  
Girls got nothing on you anyway

I miss your  
I miss your

I miss your loving  
Everyday  
I'm missing something  
When you're away  
These  
Girls got nothing on you anyway

So how you gon sweat online like a nigga don't miss you  
Rolling on the road, counting down the minutes till I lips you  
Play this game I'm blamed for things that I didn't do  
After all this time, how are me and you having issues?  
Oh  
Whoah whoah whoah  
Are you down to roll  
Tell me wagwan  
Say you got a man  
But you wan slide  
This kinda things start to fuck with my mind  
Mess with my emotions  
I'm drowning in an ocean  
You don't like the notion  
You causing commotion  
I ain't getting roped in  
I know you ain't coping  
As much as you're hoping  
But girl I ain't open  
Open

I miss your  
I miss your  
I miss your loving  
Everyday  
I'm missing something  
When you're away  
These  
Girls got nothing on you anyway

I miss your  
I miss your  
I miss your loving  
Everyday  
I'm missing something  
When you're away  
These  
Girls got nothing on you anyway
