

# My Ways

YCEE

Lemme know lemme know lemme know ay  
Say lemme know lemme know lemme know ay ay ay  
Lemme know lemme know lemme know ay  
Ain't nobody

So tell me why we fight sometimes  
Then make up before valentine  
I know that it might hurt sometimes  
But understand this ain't the perfect time no  
Tell me why we fight sometimes  
Then make up before valentines  
I know that it might hurt sometimes  
But understand this ain't the perfect time no

Say you act like you don't know my ways  
Tell me why you act like you don't know my way-ays  
Say you act like you don't know my ways  
Baby why you act like you don't, act like you don't

See me gat that Midas touch (touch)  
Free the long talk gat girls lining up  
Tryna kick it with a silent brother (silent)  
But I'm really not the type to make you really want the pipe  
Until the vibe get done up (done up)  
Make the whole place get turn up (get turn up)  
How do we go from real life problems  
To realise your whole love life sucks  
Still you never ever seen a love like this  
You gon need a strong mind if you wan carry my case  
Had a dream last night I bore some kids  
Real life see what that abortion did  
If you really love me you'll do more than this  
Sneak diss on the timeline are we kids?  
Why you tryna tell the whole world my biz  
Got me on some fucked up shit

So tell me why we fight sometimes  
Then make up before valentine  
I know that it might hurt sometimes  
But understand this aint the perfect time no  
Tell me why we fight sometimes  
Then make up before valentines  
I know that it might hurt sometimes  
But understand this ain't the perfect time no
