

Need To Know

YCEE

Should be on basis you need to know
Keep it on the p you need to know
Baby girl just keep it on a low
That info is for me and you alone
Don't even tell your bestie
'Bout how I put you on the best D
Girl you already know
This shit is just for me and you alone
I sent an uber quicker
He right outside he came to pick up
I ain't worried about your man you should worry 'bout your man
Am never bothered by the nigga no

You hit me up like you be bored
I sent a text yo am at work
You hit me up to come and put in work
Then I tell her that I'll be back in the morning
And then I pull up in your driveway
What's the time? Shawty quarter past eight
Your man he only out for the night
So I tell her quite the long talk get up in the ride
Girl it's me and you alone
I ain't trying to leave my drink alone
'Cus all this girls just tryna trap a brother
I am not the type of nigga you be taking home to mama no
It's hit and run like it's an accident
Girl lets not pretend
We going for long [?]
Really ain't nobody need to know
Your man be calling you leave your phone alone
This time is just for you and me alone

Need to know need to know need to know (I need to know)
Need to know need to know need to know (I need to know)
Need to know need to know need to know (I need to know)
Ain't nobody need to know

Don't call my bluff, nigga man fuck off
I am bad in love, but I don't need love
I need you lately, who's bad? Now say me
You gotta pay me, D on a daily
Boy you know am feeling for the love that you giving to me
And I don't wanna let you go
But everytime I think about you I don't want my man to see
Keep it on the need to know
That's why we say

Should be on basis you need to know
Baby on the p you need to know
Ain't nobody else you need to know
That info is just for me and you alone
It's for me and you alone
Baby it's for me and you alone
Ain't nobody else you need to know
Nobody needs to know now

Now she be calling with a hidden number

Steady letting vibes say my name was plumber
It's hella funny yeah I know
But I don't even want my issues on the phone
You sent me pictures you be getting thicker
You catching feelings I ain't fucking with you
You know the truth that shit is hella bitter
So I ain't leaving 'cus baby girl I was never with you
I was on my own, but then it was just me and you alone
It was me and you alone
That info, all you need to know
