They wanna say bye bye

Say bye bye  
Oh girl I want to pay bride price  
You know say na you dey my mind  
So now I want to say my mind  
Baby bring it back one time  
Girl I wanna love you long time  
So come rain come shine  
All day all night  
I'll be by your side  
Say I see your man getting vexed  
Omo baby make you tell am wait first  
He don't know that we be leaving in a jet  
He don't know what you be saying in a text
