

Oh no no here I go again  
Walked in the room like fuck everything  
All this money money money on me  
Got me head to toe in designer hommie  
I'm so wavy what you saying fuck you pay me  
I'm squad deep with [?] Chief  
Got about ten rubbing all up on me  
Jagaban jagaban is what they call me ya

That's so wavy  
Let the haters hate ma whole team living great  
We too wavy  
I done came a long way from nothing to something  
I'm so wavy  
Whole section looking like [?]  
We too wavy Jaga ah  
From city to city they know me they loving the wave

Mhen mhen mhen this shit so improper  
Started from bottom  
Taking it straight to the upper  
Spitting rhymes like a chopper  
Turn you to supper, boom boom shakalaka  
Young wild motherfucker  
Nigga you dead, put your body in a locker  
Riding 'round with the rockas  
I'm dropping the tape  
You need to take with some vodka

Yes we taking all your women  
It's the beginning, so much money on the linen  
Lord knows ama kill em  
Father forgive em for all the times he been sinning  
And am so sorry for the waiting  
Any delay, one more thing I need say  
Jagaban is what they call me  
This ain't just the wave, ma gee is the fucking tsunami

Oh no no here I go again  
Walked in the room like fuck everything  
All this money money money on me  
Got me head to toe in designer hommie  
I'm so wavy what you saying fuck you pay me  
I'm squad deep with [?] Chief  
Got about ten rubbing all up on me  
Jagaban jagaban is what they call me ya

Mhen mhen mhen you get am first I want a old model  
I get am before no be property  
See the way we balling in this economy  
Just check the tabs and acknowledge me properly  
Fuck your hypocrisy and mediocrity  
Hip hop heads wey dey look at me awkwardly  
And we just some niggas tryna make it for family

All this girls tryna hammer  
Collect the green like a farmer

Ya'll niggas focus on drama  
I am the future I fuck up some commas  
I made you a promise  
Your mama came back and relaxed don't you worry I got this yo  
Timmy timmy timmy turner  
[?] a panda I call that shit [?] desiigner

Remember when they never woulda let us in  
I ain't even had a chance to get a sentence in  
Life behind bars am the one who read the sentencing  
Flow too sick I ain't never like the medicine  
Tinny got them niggas on their medicine  
Look at them and look at me there is really no comparison  
I swear to God I really think am heaven sent  
It's the first wave this will be the waviest you ever see

I'm so wavy ya
