

Nobody like Bella
One, two, three questions for you
Aye aye aye

Why don't you want me like I want you baby
Why don't you need me like I need you baby
Why don't you love me like I love you baby
Yeah yeah yeah yeah yeah yeah yeah

I've been thinking bout you I been wondering where you at
I've been thinking bout you are you ever coming back?
I've been wondering if I ever cross your mind
Are you messing with them other girls? Is someone on your mind?
Can we negotiate I need you to reciprocate
I know you busy baby I know you been working late
I know you got no time for love, know you find it hard to trust
But I need you to believe in me, can you believe in us?
Let me show you what it's like to have a best friend loving you
Show you what it's like to have a real woman loving you
Show you what it's like to have a real one on your team
Baby I will never leave you

I will never leave you I will never never let you go
Always got your back I will never never snitch no
I will never leave you I will never never let you go
Yeah yeah yeah yeah yeah yeah yeah

Why don't you want me like I want you baby
Why don't you need me like I need you baby
Why don't you love me like I love you baby
Yeah yeah yeah yeah yeah yeah yeah

Love I find it so hard to relate
Zero emotions it's not even up for debate
You want an answer - I'm sorry I'm making you wait
I realize only when it gets to late
Cos it feels like I've been here before and I know what happens next
Cos it only takes a few calculations until you become X
And I know where we gone left
We be dropping bombs like funk flex
And we fussing and we fighting that's all that's gonna come next
Trust issues so bad I don't even trust myself
It feels like self harm but I hurt everyone else
Think I'm doing right by the letter
But I change like the weather and I know you deserve better yeah
I switch emotions when I'm in the Zone
But it's you that I just wanna call home
Gotten to the point that I don't know what's going on
But you don't even know - it's you that I want

Why don't you want me like I want you baby (you know it's you that I want)
Why don't you need me like I need you baby (you know it's you that I want)
Why don't you love me like I love you baby

Why don't you want me like I want you baby (you know it's you that I want)
Why don't you need me like I need you baby (you know it's you that I want)
Why don't you love me like I love you baby

Yeah yeah yeah yeah yeah yeah yeah

Wetin I do you? Wetin you want? Wetin you want wey the girl no get?

Wetin I do you? Wetin you want? What are you looking for wey no dey here?
