

Ship Is Sinking

Ye Banished Privateers

When I woke up this night ye ship was sinkin'
Ye lifeboat is wrecked and ye ship is sinkin'
The lookout is drunk and ye ship is sinkin'
Fire is loose and ye ship is sinkin'

So - cut off the ropes cause ye ship is sinkin'
The captain's marooned and ye ship is sinkin'
Ye riggin's ablaze an' ye ship is sinkin'
Cut the prisoners loose, cause ye ship is sinkin'

Now

Starboard be to the left, larboard now to the right, nowhere be
land in sight

SHIP IS SINKING

The rudder be in a spin, water is flooding in
SHIP IS SINKING DOWN

Now spit in your hat cause ye ship is sinkin'
Finish yer rum cause ye ship is sinkin'
Sweet Molly me love ye ship is sinkin'
I curse you Marlene now ye ship is sinkin'

Learn how to swim cause ye ship is sinkin'
Take off yer boots cause ye ship is sinkin'
Man all the pumps, cause ye ship is sinkin'
Climb fer the nest, cause ye ship is sinkin'

All hands on deck cause ye ship is sinkin'
Gangplank fer all cause ye ship is sinkin'
Swabboy be captain when ye ship is sinkin'
Settle yer debts cause ye ship is sinkin'

Swallow yer hat, cause ye ship is sinkin'
Say all yer prayers cause the ship is sinkin'
Abandon all hope cause ye ship is sinkin'
An' shiver me timbers ye ship is sinkin'

Now

Starboard be to the left, larboard now to the right, nowhere be
land in sight

SHIP IS SINKING

The rudder be in a spin, water is flooding in
SHIP IS SINKING DOWN
