

Blacktop

Yeah Yeah Yeahs

Thunder lights the road
Blacktop
Rolling under God
Now we're dancing close
One to one
As our bodies lock

One to one we sway
On our way home
One to one we sway
And all the pain
Flows
Open
Open, open
Open, open
Opened up

Oh as I was young and easy
In the mercy of his means
Time held me green and dying
Though I sang in my chains
Like the sea

One to one we sway
One to one home
One to one we sway
And all the pain
Flows
Flows

Hello
Hold on
Till the love is gone
Hello
Hold on
Till the love is gone
Hello
Hold on
Till the love is gone
Gone home
Home
