

Burning

Yeah Yeah Yeahs

Believer
Took me over like a fever
Caught you hiding in the smoke, smoke, smoke
Like a meteor I glow, glow, glow

Ooh, lay your red hand on me, baby
Ooh, ooh, as I go

Into the sea
Out of fire
All that burning
Into the sea
Out of fire
All that burning
Into the sea
Out of fire
All that burning
Into the sea
Out of fire
All that burning

Whatcha gonna do, whatcha gonna do
Whatcha gonna do, whatcha gonna do
Whatcha gonna do, whatcha gonna do
Whatcha gonna do when you get to the water?

Well I'll release her
From the bindings of her teachers
What they're hiding there is broke, broke, broke
Like the River Styx I flow, flow, flow

Whatcha gonna do when you get to the water?
Whatcha gonna do when you get to the water?
Whatcha gonna do when you get to the water?
Whatcha gonna do when you get to the water?
Whatcha gonna do when you get to the water?
Whatcha gonna do when you get to the water?
Whatcha gonna do when you get to the water?
Whatcha gonna do when you get to the water?

Into the sea
Out of fire
All that burning
Into the sea
Out of fire
All that burning
Into the sea
Out of fire
All that burning
Into the sea
Out of fire
All that burning
