

Different Today

Yeah Yeah Yeahs

I feel different today
Different today
Different today, I do
I feel different today
Different today
Different today 'bout you

Oh, how the world keeps on spinnin', it goes spinnin'
Out of control
How the world keeps on spinnin', it goes spinnin'
Out of control
How the world keeps on spinnin', it goes spinnin'
Out of control
How the world keeps on spinnin', it goes spinnin', yeah

I feel different today
Different today
Different today, I do
I feel different today
Different today
Different today 'bout you

I don't want to wait
Till you leave
To say
What I really mean
I don't want to wait
Till you leave
To say
What I really mean

It's how I feel different
It's how I feel

I feel different today
Different today
Different today, I do
I feel different today
Different today
Different today 'bout you
(It's how I feel)

Oh how the world keeps on spinnin', it goes spinnin'
Out of control
How the world keeps on spinnin', it goes spinnin'
Out of control
How the world keeps on spinnin', it goes spinnin'
Out of control
How the world keeps on spinnin', it goes spinnin', yeah

Spinning, spinning, spinning, spinning
Out
It goes
Spinning, spinning, spinning, spinning
Out
It goes
Spinning, spinning, spinning, spinning

Out
