

Lovebomb

Yeah Yeah Yeahs

Ah, ah, ah, ah, ah, ah, ah, ah
In time, in time
Ah, ah, ah, ah, ah, ah, ah
In time, in time

Oh, let the time come
Oh, when hearts fall in love
Oh, let no one see you
Let nothing hold you
Come close
Come close

Come close
Come close
Closer now
Closer now
Come close
Come close
Closer now
Closer now

Time
Time
Time
Time
Time
Time
Time
Time

Stars
Don't fail me now
Stars don't fail me now
Stars don't fail me now
Stars don't fail me, rays of light
Light
Light
Light
Light
Light
Light
Light
