

## Shame and Fortune

Yeah Yeah Yeahs

Shame is soft they say  
Lose when I play your game  
Come if you call my name  
Lose when I play your game

You got an attitude  
You got a way  
All fortune on the floor  
All fortune on the floor  
All fortune on the floor  
All fortune on the floor

Shame is soft they say  
Lose when I play your game  
All fortune on the floor  
All fortune on the floor  
All fortune on the floor  
All fortune on the floor
