

I Know

Years & Years

I know, I know
I know, I know
I know, I know
I know, I know

I know, I know
I know, I know
I know, I know
I know, I know

In the beginning
Always the same
You start pretending
Same old game
What's in your pocket
Hanging out?
You know I've seen it
There's no doubt

I know, I know, I know
What you are
I know, I know
What you are
I know, I know
What you are
I know, I know
I know, I know
What you are
I know, I know
What you are
I know, I know
What you are
I know, I know

Oh, do you ever feel so down it's like you can't get up
And it's all too much?
Oh, you've been playing by the rules and now it's getting tough
'Cause it's not enough
There's a world
There's a world
You haven't seen
You haven't seen
It goes beyond
It goes beyond
Your wildest dreams
Your wildest dreams
Yeah, let me put your mind at ease and help you open up

'Cause I know what you are
I know, I know
What you are
I know, I know
What you are
I know, I know
What you are
I know, I know
I know, I know

What you are
I know, I know
What you are
I know, I know
What you are
I know, I know

Is that you knocking
At the door?
Somebody's waiting
For you to call
You can't explain it
And it'll never change
Feels so amazing
Don't it babe?

'Cause I know what you are
I know, I know
What you are
I know, I know
What you are
I know, I know
What you are
I know, I know
I know, I know
What you are
I know, I know
What you are
I know, I know
What you are
I know, I know
What you are

I know what you, what you are
I know what you, what you are
I know what you, what you are
And I know what you are
I know what you, what you are
I know what you, what you are
I know what you, what you are
