

Lion

Years & Years

If I was a lion
I'd be silent, I'd keep you there
Never let you go
Grow into a giant, be the brightest
I'm not scared, I'm invincible

If I was a lion
I'd be silent, I'd keep you there
Never let you go
Grow into a giant, be the brightest
I'm not scared, I'm invincible

Uhu, I'm not feeling I know who you are
Uhu, I'm not feeling I know who you are

If I was a lion
I'd be silent, I'd keep you there
Never let you go
Grow into a giant, be the brightest
I'm not scared, I'm invincible

Uhu, I'm not feeling I know who you are
Uhu, I'm not feeling I know who you are

If I was a lion
I'd be silent, I'd keep you there
Never let you go
Grow into a giant, be the brightest
I'm not scared, I'm invincible

Uhu, I'm not feeling I know who you are

If I was a lion
