

# Outside

## Years & Years

Let's go outside  
Let's go outside  
Let's go outside  
Let's go outside  
Back to nature  
Outside  
Human nature  
Back to...

I think I'm done with the sofa  
I think I'm done with the hall  
I think I'm done with the kitchen table, baby

Let's go outside, in the sunshine  
I know you want to, but you can't say yes  
Let's go outside, in the moonshine  
Take me to the places that I love best

So my angel she says "don't you worry  
'Bout the things they're saying, yeah  
Got no friends in high places  
And the game that you gave away wasn't worth playing"

Let's go outside, in the sunshine  
I know you want to, but you can't say yes  
Let's go outside, in the meantime  
Take me to the places that I love best

And yes, I've been bad  
Doctor won't you do with me what you can  
You see I think about it all the time  
24/7  
You say you want it, you got it  
I never really said it before  
There's nothing here but flesh and bone  
There's nothing more, nothing more, there's nothing more  
Back to nature, just human nature  
Getting on back to...

I think I'm done with the sofa  
I think I'm done with the hall  
I think I'm done with the kitchen table, baby

Let's go outside, in the sunshine  
I know you want to, but you can't say yes  
Let's go outside, in the moonshine  
Take me to the places that I love best

And yes, I've been bad  
Doctor won't you do with me what you can  
You see I think about it all the time  
I'd service the community, but I already have you see  
I never really said it before  
There's nothing here but flesh and bone  
There's nothing more, nothing more, there's nothing more

Let's go outside

Dancing on the D-train baby  
When the moon is high  
And the grass is jumpin'  
Come on, just keep on funkin'  
Keep on funkin', just keep on funkin'
