Call Më

Yeat

(Rision)
(X8)
Call me, yeah, you need to call me (Call on me), yeah
Call me, my love

Call me, yeah, you need to call me (Call on me)
Yeah, call me, yeah, you need to call me (Call on me)
Yeah, call me, yeah, you need to call me (Call on me)
Yeah, call me, yeah, you need to call me (Call on me)
Way too stuck up to be a slut, I need you to call me
I'm too rich, yeah, to give a fuck, so I need you to call me
I ain't reading all these texts, baby, you need to call me
I ain't never thought I'd fall in love, and your love surrounding me (Yeah)
Any time I think about fucking, I feel you around me (Yeah)
Every time I see your texts, them words arousing me (Yeah)
We both crazy, baby, I know that you want all of me (Let's go)
I gotta take a break from Percs, baby, so you can have all of me

Putting my soul inside this song, my demons calling me (Huh)
I know you wrapped 'round my finger, but I still want company
I gotta go and hit the road, baby, 'cause this money calling me (Calling me)
To be honest, I don't really wan' do it, but these agents calling me
Yeah, after I go on tour, are you still gon' love on me?
After I show you the world, are you still gon' love on me?
I already told you that you my girl, you gotta put your trust in me, baby
I ain't never felt no love like this, so I let it control on me, lil' baby
Yeah, I won't pass away
Fell in love tomorrow, yeah, I feel a way
I don't want you to go, baby, need you to stay (Stay)
All my demons calling, baby, can we pray?
Yeah, you thought I was here, I'm on a realer state
Yeah, went and bought the Tonka, took it out of state (Uh, uh)
Yeah, going state to state, I'm chilling with my bae (Yeah, yeah)
Yeah, fell in love tomorrow, fell in love today (Yeah)
Yeah, I don't know what to do, I don't be making mistakes (Yeah)
Yeah, fell in love with these riches, fell in love with my bitch (Oh, yeah, yeah, yeah)
I can't trust nobody, put no trust in no snitch (Oh, yeah, yeah, yeah)
Yeah, fell in love with the world just for the way it is (Oh, yeah, yeah, yeah, yeah)
And I fell in love, I want you to get up all of that
Walked inside the building, I can't zip that backpack
You say you fell in love, then you can't tell me all of that
Every time that we make love, I know you wanting all of that
Had to take a break from these Percs, baby, I give you all of that
I can't be wasting no time, lil' bitch, I give you all of me
All I need you to do is just sit back and call on me (Call on me)

Call me, yeah, you need to call me (Call on me)
Yeah, call me, yeah, you need to call me (Call on me)
Yeah, call me, yeah, you need to call me (Call on me)
Yeah, call me, yeah, you need to call me (Call on me)
Way too stuck up to be a slut, I need you to call me
I'm too rich, yeah, to give a fuck, so I need you to call me
I ain't reading all these texts, baby, you need to call me
I ain't never thought I'd fall in love, and your love surrounding me (Yeah)
Any time I think about fucking, I feel you around me (Yeah)

Every time I see your texts, them words arousing me (Yeah)
We both crazy, baby, I know that you want all of me (Let's go)
I gotta take a break from Percs, baby, so you can have all of me
