

Feel It

Yeat

(Turn that shit up, 2)

(Maximum)

I feel it (I feel it, Yeah)

I feel it (Yeah)

That they tried to take my style from me (Yeah, I feel it)

When that bitch, she taking a bath for me (Yeah, I feel it)

They ain't think that I was this wise

I didn't reach my peak yet, I ain't even at the maximum

Yeah I'm with my twizzy yeah my spiders, not tarantulas

I think that the trackhawk wheels on fire, cause look how fast we was

Your lil thotty threw that brain on me so good, I got a bachelors

Yeah this shit is a new body two hundred thousand, two hundred dash
Yes like three hundred three hundred, yeah I got cash got a bag full
of cash

Say y'all outside let me see something see something, wish it out on
digital dash

Just got to keep guarding yeah my new crib, this shit so big shit so
vast

Just hit the bank there ain't shit in the envelope, bitch I'm apprais
ing the bag

If you think you richer and smarter and stronger than me, then do wha
t you said

You better not hit my phone, yeah you did not just forget what you sa
id (Blocked)

Well then I used to have nothing, (who) so anything now I feel like t
he shit

I'm on to go the moon (go), I'm a goat emoji (bag)

Watch my brother pull up with it, he don't even have to load (bah, ba
h, bah)

Too many oxys in my brain right now, I feel unstoppable (yeah)

Why she call my phone so many damn times, you know that you blockable
(Hah)

(Yeah baby)

Burberry, Burberry, Burberry shoes

Hey baby, I got Burberry shoes

Yeah, I'm a still junky

Ain't a real junky, I just got money

I get high everyday, I swear to God I work at NASA

Put me on that rocket ship, lil bitch you'll get some answers

This shit not rocket science, or maybe it is

Please don't waste my time, or you already know that I'm gone as a bi
tch
