

(Go head buss yo head  
Diamonds  
Damn it  
What else  
What else  
Swerve  
What else  
What else,)

Bentley, truck  
Diamonds, sun  
In the night, yea we demons, yea we lurk  
In the day, yea you broke, go to work  
(Diamond)  
Go to work  
Go to work  
(Diamond)  
Go to work  
Yea cause your broke  
Go to work  
Yea cause your broke  
Yea yea go to work, go to work  
You a joke

I need 9 figures  
Chop they hand, chop off all they fingers  
Go head be a meme they gone forget about ya  
I'm the real king yeat, wanna speak, go and get a voucher  
Yea Swerve, swerve, yea we gone get up out here  
Swerve, swerve, I took the lamb outta here  
Go head buss yo head  
Go head give me head  
Go head buss yo diamonds  
You can't get like me  
Go head buss yo style up  
Go head steal my jeans  
Yea we get you shot up  
Like a spring  
Oh I got these diamonds yea and diamonds on my team  
How I got this bread yea? They can't fuck with me yea

(Go head buss yo head  
Diamonds

Might hit yo ass with a fucking dart  
Hop out the motherfucking truck, yeah make 'em hear the spark  
Beat it up from the back I'm loving this bitch arch  
Replace her heart, I bought this bitch Chrome Hearts  
I'm stuffing this money in my pockets  
Get too close I'm popping  
Toot up the Maybach truck this bitch got hydraulics  
I still rock a big buckle I take my belt off and whoop ya  
Or I might fry ya ass on that pan and cook ya  
Tryna catch his ass at the show ok we booked him  
Got his ass hot like the Suns, DBook him  
All of my niggas is crooked  
Get his ass wiped for the looking  
Tell him get packed like a Russian  
Stand over you then I buss you
