

Goin There

Yeat

Ayo, Ian

Woke up, pull my racks out, start the day good (Yeah, yah)
Bitch gon' pull up and eat it up, call this bitch an eater (Eater)
Yeah, they talking crazy, yeah, this [?] smoke 'em like a woods
Matter fact I'll fuck her, smoke that boy just like a [?]
Yeah, bought a flight to CA, yeah, V8 on it too, yeah
Matte-blacked it all (yeah), and I'm cutting off the tooth (Matte black)
Cutting off my ex bitches, get told 'em the truth (Yeah)
Yeah, I can't take an L, yeah, I can't lose
Woke up in the morning pour up in my orange juice
Yeah, woke up in the morning, take an X, yeah, if I'm snoring
Yeah, she said she wanna eat me up, yeah, because it's boring
You want nothing else, I want nothing, nothing else (Yeah)
Yeah, go ahead, go in there
You don't know nothing, life not fair
Every time I take a step away I swear my wife not there
Yeah, we all connected 'round the world like we got Wi-Fi there
You might think that I give a shit, but I'm telling you now that I don't care (Go, go)

Go ahead, going there (Yeah)
Yeah, yeah, go ahead, going there
I don't care, I ain't care
Balenci, stepping everywhere
Yeah, everywhere, it's so fair
On my ass, over here
They told me, they told me, they told me
Yeah, keep going with this shit
Yeah, can't stop not for no bitches
Yeah, can't rock out with no snitches, no
Yeah, he told you he was gonna beat your ass, you said you called the cops
