Oh, ah

(Swiz need to pipe down)

I can't change what I said, what I did (Uh, uh)

I feel like I'm runnin' circles 'round this bitch

And when I wake up, opps be callin' my phone just like one of my bitches

One eye open when I sleep alone, can't trust nobody, that's it

Ho, that's it (That's it), I can't trust nobody, that's it

Ho, that's it, I can't trust nobody, that's it

I bought a hotel, can't have this bitch know where the hell I sleep

I don't lose, bitch, I always win, I can't take defeat (Go, go)

I've been on drugs for awhile (Go)

I can't seem to figure it out

Got my money up, yeah, so it's fuck 'em (Yeah)

I get deep up in that bitch, pull up, yeah, truck 'em (Yeah)

Huh, I done hit the side on this bitch (Woah, woah, woah)

I can't choose (Can't choose), I can't decide with these bitches

I got blues and clues about ya, can't be silent with a snitch (Shh)

I done stayed down until I got so fuckin' rich (Rich, rich), yeah

They ain't seeing me, I had to relocate

No, this not CDG, this the Homme Plus way

Ho, this ain't CMG, this a GLE

You ain't tell me what you did, tell me what you see

I done switched inside the coupe with the peanut butter seats

I done got my money up and that bring jealousy

How you were rockin' with me, now you're hatin' on me, now you envy me?

And that top tier fuck shit, I don't rock with, keep it away from me

I can't change what I said, what I did (Uh, uh)

I feel like I'm runnin' circles 'round this bitch

And when I wake up, opps be callin' my phone just like one of my bitches

One eye open when I sleep alone, can't trust nobody, that's it

Ho, that's it (That's it), I can't trust nobody, that's it

Ho, that's it, I can't trust nobody, that's it

I bought a hotel, can't have this bitch know where the hell I sleep

I don't lose, bitch, I always win, I can't take defeat (Go, go)

Woo, ah (Go, go)

Woo, ah (Go, go)
