Yeat

Yeah

I'm on my roll

She was just talking bout money, but it was murder she wrote

[?] taste so funny, yeah life no joke

Why her nose so runny? Why she [?]

Hold up I gotta get to my bag, I gotta get to my bread

No, please don't go away

Yeah, I'm just stuck in my head

How'd you get inside my body? Hotty, yeah made for that

Many diamonds on my body papi, yeah just leave it like that

Hold up I gotta get to my bag, I gotta get to my bread

No, please don't go away

Yeah, I'm just stuck in my head

How'd you get inside my body? Hotty, yeah made for that

Many diamonds on my body papi, yeah just leave it like that

Riding round in hell, I'm with my gang

And we smoking on this game, my whole gang on propane

Doing what I think is right so I don't show no shame

And I don't trust nobody so I had to switch the lane

And once you touch this money, then you see that it all changes

Running for the hundreds, I end up in different places

Always keep it real within in the game, you can't replace it

Monster turn your life too real so you just gotta face it

And I ran to the money, must do it illegal

Bitch I've been flying in the sky like a seagull

This shit like a movie, a thriller it's [?]

Had to come back to all of this like a sequel

I'm 'bouta show you why we different people

I'm 'bouta show you why we're not equal

No, I'm not really sure why you coming to see me now

I'm chasing this green, yeah I'm chasing Luigi

I'm squeezing the drip outta music using a squeegee

I'm going to hard that I make it look easy

I'm stepping to hard gotta get [?]

And I told her that she gotta get out her feelings

I wanna see everybody with a million

I'm talking flight, yeah they call me a million

Hold up I gotta get to my bag, I gotta get to my bread

No, please don't go away

Yeah, I'm just stuck in my head

How'd you get inside my body? Hotty, yeah made for that

Many diamonds on my body papi, yeah just leave it like that

Hold up I gotta get to my bag, I gotta get to my bread

No, please don't go away

Yeah, I'm just stuck in my head

How'd you get inside my body? Hotty, yeah made for that

Many diamonds on my body papi, yeah just leave it like that
