

I'm crazy
I'm crazy, ain't no more live in me
Let's go (Uh-uh, uh, uh)
Let's go, ain't gon' lie

I told the doctor, it ain't no live in me (No lie)
Oxy' already got me flying, it ain't no lifting me (I'm fly)
Now I done elevated, I can't even piss for free (No)
When I take this Tesla pill, I don't have more misery (It's gone)
These diamond buss like river, these bitches Missouri (Bussing)
And eventually, one day they gon' be missing me (RIP)
Ain't that sad how I knew they had no faith in me (Hell no)
I always be hoping for the best, that's how you should picture me (Picture it)

Don't paint the wrong way, my devil is listening
I can say I rule my world, even it's make believe
In my world, they be teaching kids this shit like history
When I'm high, I love this bitch, everything be amazing me (Amazing)
Off that shit it's just like pearl, it's just like Maybelline (Maybelline)
Finna bust a nut on her face, yeah, loving that painting thing (Loving that painting thing)
I don't give a fuck if you over there, especially if you was hating me
How the fuck am I this young and they critiquing me? (They critics)
I do whatever I want, I live so peacefully (So peaceful)
They said that I'm the president, they ain't impeaching me (They not though)
If I had to be political, they should teach with weed (I'm not no president)
Then they should go and delete some jobs, they should be geeked for weeks
That bitch said are you sure you wanna marry, I bought her a really ring (Really ring)
I hope you know that that's a lie, I would never do silly things
I hope you know this shit get intense doing everything expensively (Expensive)
I can't go out like these broke bums, they even embarrass me (Let's go)
I just hope if I OD, they let me rest in peace (yeah)
I said R.I.P to them pussies, tell them, rest in piss (yeah)
She said she wanted a Birkin bag, I told her, drink my kids
Only sipping on this lean, I don't sip out no fifth (Yeah)
I wanna stick my dick in her peach emoji (I'm crazy)
I left that bitch on read for weeks, replied with a beach emoji (I'm crazy)
Let's go shopping, finna send this bitch the Balenci emoji (I'm crazy)
What would you do if I was wrong? What would you do if I was broke? (Crazy)
Even though I wouldn't be (I'm crazy)
I bet you'd go out sad, no kidding (How crazy)
Y'all go out broke, just sleep in your bed all day (How lazy)
I ain't even go to sleep yet, it's one o'clock, yeah, I took a Tesla
I'm talking PM
Most of these kids just broke, talk shit like peons
Why'd you take another Tesla? To feel like Elon
I'm finna ship out this weed but I don't even smoke no more, you gotta tell me if it's strong (Yeah)
I replaced another wrong I had with two wrongs
I'm so goddamn high, it look like this bitch got on two thongs
They told me the heavyweight champion, yeah, that I'm too strong
And I know I'm stressing 'bout this shit so I'm 'bout to move on
(Told the doctor)
I just told the doctor, it ain't no lift in me (No lie)

On this Oxy' already flying, ain't no lifting me
Only way I know how to sleep is with some Trissery (I ain't lying)

I told the doctor, it ain't no live in me (No lie)
Oxy' already got me flying, it ain't no lifting me (I'm fly)
Now I done elevated, I can't even piss for free (No)
When I take this Tesla pill, I don't have more misery (It's gone)
These diamond buss like river, these bitches Missouri (Bussing)
And eventually, one day they gon' be missing me (RIP)
Ain't that sad how I knew they had no faith in me (Hell no)
I always be hoping for the best, that's how you should picture me (Picture i
t)
