

Stayed Down Long Enough

Yeat

(Bitch, I said "Imma go my way")
(New Wock [?] filled with an eighth)
(And I feel like an animal, I'm in my cage)
(Fill my cup with codeine)
Yeah

Bitch, I said "Imma go my way" (Way)
We can show you how you can get paid (Yeah)
New Wock [?] filled with an eighth (Uh)
And, yeah, I stayed down so I feel so great
I feel like an animal, I'm in my cage
The way that I move, yeah, you would be amazed
Fill my cup with codeine (Lean)
I can't trust these kids on my team
Pop these pills, pop Perc, pop bean
Got two white plus on the back on my jeans
Back of the curtains, now the bitch start eatin' (Skrtrt)
Got a cold heart, Chrome Heart, yeah, you best believe
Got a big-body Go-Kart and it say "Skee" (Skrtrt)
Why you runnin' outta patience for me?
Told myself that I'd always be me, yeah
Heartless, we ain't playin' no games
Mo Harkless, we been hittin' more range

Yeah, I'm hot, yeah, I just want a big brain

All your doin' is just talk (Talk)
You don't do shit but just watch (Just watch)
You don't do shit with this guap (Guap)

Big-body, this shit gon' rock (Rock)
Dead presidents in my pockets they rot
Hell yeah, we play connectin' the dot (Yeah, uh)
We get it right on the spot (Uh)

back to the crib, Imma come back to chop off the top (Chop off the top)
