

# The Bell

Yeat

I'm hungry  
King Tonka  
I'm gonna save myself  
King Tonka

Lil' twat ring the bell when she wanna get fucked  
I ring that bell when I wanna get sucked  
Told 'em ring that bell, told 'em pull-up, what's up?  
King Tonka  
Song was already turnt, but the bell turned up  
Tonka

Say you got money, but you only got 10s  
Got no bread, you ain't got no life  
You ain't got no shit going on for you, yeah  
Molly my cup, it's got me turning sideways  
Fuck on that bitch, I'ma hit that shit sideways  
I got that pussy screaming out, yeah, yeah  
Woo, woo, woo, woo, woo, woo

Shawty know what I'ma do, yeah  
Shawty know she just like to feel free, yeah  
All my diamonds speak to me  
All my diamonds on major leagues  
King Tonka never fall off, this life was made for me, yeah

I'm hungry  
King Tonka  
I'm gonna save myself  
King Tonka

Lil' twat ring the bell when she wanna get fucked  
I ring that bell when I wanna get sucked  
Told 'em ring that bell, told 'em pull-up, what's up?  
King Tonka  
Song was already turnt, but the bell turned up  
Tonka

Ooh  
Shawty keep on feeling like it's made for herself, yeah  
Ooh  
Don't you know you never could go see in yourself? You couldn't believe in yourself  
These diamonds bussing out the back  
I make 'em sneeze on them self  
Tell 'em bless you, and fuck you, you pee'd on yourself  
You a dumb slut, a dumb cunt  
King Tonka  
King Tonka

I know you up to sum'n  
I was in Saint Tropes, baby, take the jet back in the morning  
I know it's tough to take, baby, but I leave you without a warning  
That bitch a professional lake, that bitch so horny

I don't wanna cover my head, I don't wanna cover my tip  
I uncovered the juice, I uncovered the twizz

I uncovered the Maybach, could you say that? could you go and paint that?  
You might as well claim myself, bitch, you couldn't even say that

Lil' twat ring the bell when she wanna get fucked  
I ring that bell when I wanna get sucked  
Told 'em ring that bell, told 'em pull-up, what's up?  
King Tonka  
Song was already turnt, but the bell turned up  
Tonka

King Tonka  
Ki-King Tonka, King Tonka
