

Up

Yeat

I already told you that this was a tonka, yeah, why the hell would you ask? (It's bad)

I just be chopping them up - helicopter, it got like twenty the dash (The dash)

I went in and ran it the fuck up (Aye)

I went in and ran it the fuck up (Oh, yeah)

I went in and ran it the fuck up (Oh, yeah)

Big body tonka what you want? (Luh tonka)

Big body tonka what you want? (Yeah, luh tonka)

Yeah, keep these racks on me, they sitting beside my gun

I just touched a dub and I still ain't ran it up

Bitch I don't be sleeping when its night don't see the sun (Aye)

You get kickback's from this shit just like a pump (Aye)

What you want? (Babe)

Told me that you coming and pullin' up? (Aye)

I went in and ran it the fuck up

I went in and ran it the fuck up 'bout everyone (Aye)

I went in and ran it the fuck up

I went in and ran it the fuck up (Aye)

Yeah

G46 be sitting outside (It's bad, it's bad)

I already know this bad (It's bad), I catch you in the past (The past)

Huh, huh

I just be running up racks (Luh racks), I went and touched a bag

Yeah

My diamonds swimming in circles, they just be doing some laps

Man, I got rich and this shit done got easy, I really be doing some laps

My foot on they neck, I ain't stopping this shit, yeah, I ain't let off the gas

I already told you that this was a tonka, yeah, why the hell would you ask?

I just be chopping them up - helicopter, it got like twenty the dash

I went in and ran it the fuck up (Aye)

I went in and ran it the fuck up (Oh, yeah)

I went in and ran it the fuck up (Oh, yeah)

Big body tonka what you want? (Luh tonka)

Big body tonka what you want? (Yeah, luh tonka)

Yeah, keep these racks on me, they sitting beside my gun

I just touched a dub and I still ain't ran it up

Bitch I don't be sleeping when its night don't see the sun (Aye)

You get kickback's from this shit just like a pump (Aye)

What you want? (Babe)

Told me that you coming and pullin' up? (Aye)

I went in and ran it the fuck up

I went in and ran it the fuck up 'bout everyone (Aye)

I went in and ran it the fuck up
I went in and ran it the fuck up (Aye)
Yeah
