

Distance

Yebba

(Two, one)

Take me back to the distance
Late night cookin' in the kitchen
Yeah, yeah
Dirty dancin' in my room
Room, room
Sendin' my love all over you

Because of the time we shared
Time we lost in love with one another
Days we had pay the cost of losin'
Heart's desire so soon
I'll be sendin' my love all over you

I still get so lost in the feeling
And I can't imagine losin' you
Ooh, ooh
Oh, whoa, if your heart can't find a new reason
For someone special to hold onto
I wonder what I would do, ay-yeah

Because of the time we shared
Time we lost in love with one another
Days we had pay the cost of losin'
Heart's desire so soon (So soon, so very soon)
I'll be sendin' my love all over you

Take me back to the distance
Oh, yeah, babe
Late night cookin' in the kitchen
Dirty dancin' in my room
I, I love the things you do, ooh, and I'm
Sendin' all of my love to you

I'll be sendin' all my love
(I'll be sendin', I'll be sendin', I'll be sendin')
You're the only one that I've been dreamin' of, it's true
(Sendin', sendin') I'll be sendin' all my love

Sendin' my love all over you
Over you, over
Sendin' my love all over you
Over you, over

Sendin' my love all over you
Over you, over (Yeah)
Sendin' my love all over you
(I'll be sendin' all my love)
Over you, over

Sendin' my love all over you
Over you, over (Sendin', sendin')
Sendin' my love all over you
Over you, over (Sendin', sendin')

Sendin' my love all over you (Yeah, baby)

Over you, over (Sendin' all my love)
Sendin' my love all over you
