

Interlude 2

Yebba

[?] to get in a mess
They must be allowed to have a dozen experiments
They must also be allowed to periods where they repeat themselves
(We will need a [?] square)
Allow them endless fruit to sway before they-
([?])
Nine
The way that everything is done too much in the public eyes
(Exactly right, and, and, and if you lost that)
The pressure of time, which you can't recreate
