

## Barn Fire

Yelawolf

Oh, shit  
Oh, shit (Yeah)  
Get buzzed  
Harder than barbed wire, car tires (Car tires)  
Hotter than your granddaddy's barn fire  
Ooh, ooh, that's that dude (Catfish)  
Ooh, ooh, that's that dude (Billy, bitch)  
Ooh, ooh, that's that dude (Yeah, yeah)  
That's that dude

Yeah, I jump on your Cadillac and James Dean it  
So fresh, I wish Palmolive could've seen it  
Tip-toe like Riff Raff with a big bag  
Do you like my real dad and sit back?  
These big trucks make big noise  
But that lift kit'll never see the mud, boy  
Go Travis Barker, drop a hundred on a K5  
Park it next to something else that I have and I never drive  
I'm in my heyday with my melee  
I'm eating steaks, yeah, I'm eatin' grade A  
I'm in this place, bitch, I own this place, ayy  
The trailer park just got another upgrade  
I'm fuckin' stupid with this shit  
I'm talkin' hillbilly, pill-  
poppin', West Virginian, coal miner, stupid with it  
Dig it? Y'all don't even get it  
But I get it, it's been a minute  
But I'm 'bout to drop a minnow in it, yeah

Oh, shit  
Oh, shit  
Get buzzed  
Harder than barbed wire, car tires (Car tires)  
Hotter than your granddaddy's barn fire  
Ooh, ooh, that's that dude (Catfish)  
Ooh, ooh, that's that dude (Billy, bitch)  
Ooh, ooh, that's that dude (Yeah, yeah)  
That's that dude

Yeah, fall out the box like some powdered eggs  
Drippin' like a showerhead  
Pipes crackin' like a powder keg  
Wet paint, need a towel, yeah  
Another WLPWR beat comes alive, but now it's dead  
Uh, I had to kill it  
Said he was cookin' up, uh, I had to steal it  
She got an onion on her, uh, I had to peel it  
Then I put a pickle to it and ate a salad with it  
I don't give a fuck, make 'em mad, make 'em a madder critic  
I'm the Mad Hatter over this platter, you Alice with it  
Cataclysmic, I crash right into your old dad's Civic  
In a tricycle spacecraft, crackin' up, laughin' at it  
Crackers had it with all of my fans packin' in like some addicts  
Wanna package up this calendar's average, I can't have it  
I'm the baddest motherfucker since bad became the baddest  
Just wait 'til they get that Michael Wayne classic  
They gon' be like

Oh, shit  
Oh, shit (Yeah)  
Get buzzed  
Harder than barbed wire, car tires (Car tires)  
Hotter than your granddaddy's barn fire  
Ooh, ooh, that's that dude (Catfish)  
Ooh, ooh, that's that dude (Billy, bitch)  
Ooh, ooh, that's that dude (Yeah, yeah)

(Catfish Billy, bitch)  
Ayy, when it comes around (Let's go)  
Comes around (Let's go)  
Comes around (Let's go)  
Comes, it comes around (Catfish Billy, bitch)  
Ayy, when it comes around (Let's go)  
Comes around (Let's go)  
Comes around (Let's go)  
Comes, it comes around (Catfish Billy, bitch)  
Ayy, when it comes around (Let's go)  
Comes around (Let's go)  
Comes around (Let's go)  
Comes, it comes around (Catfish Billy, bitch)  
Ayy, when it comes around (Let's go)  
Comes around (Let's go)  
Comes around (Let's go)  
Comes around, comes, it- (Catfish Billy, bitch)

Oh, shit  
Oh, shit (Yeah, oh, shit)  
Get buzzed  
Harder than barbed wire, car tires (Car tires)  
Hotter than your granddaddy's barn fire  
Ooh, ooh, that's that dude (That's that dude, Catfish)  
Ooh, ooh, that's that dude (Bitch, I'm that dude, Billy, bitch)  
Ooh, ooh, that's that dude (I'm that dude, yeah, yeah)
