

# Be Yourself

Yelawolf

I just wanna hang with real people  
You know, I don't give a fuck about how much money you got  
Who you know, none of that  
Be authentic, that's the type of people I want to kick it with

Motherfucker I'm, a catalyst of the baddest that you can find  
Cowboy hat, see me crooked in the corner of the club when I'm sippin, my  
Jack, beautiful woman on my side  
Fact, you ain't gotta tell me, I know, I'm fucking getting it  
Fake motherfuckers just talk, I'm fucking living it  
Chevy in the parking lot  
But I've had a few homes, I'm a have to Uber home, I'm a have to pull my phone out  
Hippy I come, baby then I'm moving on, but I won't do it alone, uh  
Take a walk with a wolf, girl  
I can make a good girl a hood girl  
We can get down and party, shaking the Chevy  
But whatever happens in the truck, if you could, girl  
Please just be yourself

Be somebody, make somebody say you're like no one else  
Nobody wanna hang with somebody that is boring  
I'd rather be by myself and drink on the Porch Swing  
So hold your breath if you can't be yourself  
Be somebody, make somebody say you're like no one else  
Nobody wanna hang with somebody that is boring  
I'd rather be by myself and drink on the Porch Swing  
So hold your breath if you can't be yourself

I love it, I love it  
I'm buzzing enough just to fucking (go nuts)  
Fuck discussion, ain't discussing nothing, I'm just gon' (roll, up)  
Show up, show out, big dog, watch how that money go (fold up)  
Didn't know then, but we know now, them clowns we ain't never (told us)  
So what? You know what?  
That stuff there is what had made me (grow up)  
Think I can't? Bitch, think we ain't, think what you think you (ho, slut)  
Let that tongue besides both nuts  
Then swallow this whole pole up  
While me and Singer Wolf pour up  
Show love  
Be Yourself

Be somebody, make somebody say you're like no one else  
Nobody wanna hang with somebody that is boring  
I'd rather be by myself and drink on the Porch Swing  
So hold your breath if you can't be yourself  
Be somebody, make somebody say you're like no one else  
Nobody wanna hang with somebody that is boring  
I'd rather be by myself and drink on the Porch Swing  
So hold your breath if you can't be yourself

Step up in this motherfucker with a black hoodie cause I might seem cool, yeah  
ah  
Spillin' so much ink on the paper I could have filled up Drake's pool, yeah  
They told me to get ready but I've been ready, fucking babies were back in school, yeah

An animal, Hannibal, cannibal couldn't manage to get a handle, I'm too sick  
Butters off, leather seats creeping up an alley in the Caddi like "who's this"

Catfish, hold up

When you see me coming, homie, throw the deuces

Got a couple of killers in a camp, wanna dance motherfuckers is ruthless

Back in the, back of the Chevy holding something heavy, g-g-g-  
get it, let's go!

Be somebody, make somebody say you're like no one else

Nobody wanna hang with somebody that is boring

I'd rather be by myself and drink on the Porch Swing

So hold your breath if you can't be yourself

Be somebody, make somebody say you're like no one else

Nobody wanna hang with somebody that is boring

I'd rather be by myself and drink on the Porch Swing

So hold your breath if you can't be yourself
