

Losers Win Again

Yelawolf

Uh, what's up Wes?
Man nothing much, what's up?
What's wrong, man?
Ah, I'm in the dog house again, man
You in the dog house, bruh? Yeah
Sheesh, me too, man
I just don't get it
Well it's good to see you tho
Hey, we're in it together
That's right Hell yeah
A couple shots, let's do it

If there's winners and losers
I'm a chooser, chooser
How I pick my friends
Some are drinkers
Call us down and help with the losers win again
